The Acoustic All-Stars is a Pay Yourself Ticketing™ Festival. Each band is given tickets to sell to the event at no charge to them. The money each band makes off those tickets is theirs to keep. Many performers make upwards of \$200 for their ticket sales. This ensures a better turn out, all performers get paid, and more promotion for the show and all performers. Are you ok with this method? Yes No

Any other information we should know? _____

For this application to be considered, please remember to include the following 3 things:

- 1: Application
- 2: Individual or Group Bio
- 3: Demo (cd, DVD, mp3, OR online profile/website link)

**Remember that this is an acoustic festival. All genres are accepted but only acoustic versions of songs will be allowed at performances.

TIPS:

**The Acoustic All-Stars music festival is to be only acoustic. This means NO electric equipment except pedal boards w effects that tie in to acoustic equipment. Drums are considered Acoustic but for the sake of set up and tear down at the show as well as respect for your fellow performers, please consider using a smaller set up or hand drums.

**If your recordings contain electric equipment, we may not be able to tell. Therefore, be aware that any performance you do on TV, Radio etc as promotion for the A.A.S. MUST be acoustic. We will deny any performance that's goes against this, last minute if necessary. We apologize for any inconvenience.

PLEASE KEEP THIS PAGE FOR YOUR RECORDS

Thank you for your interest in performing at the 2012 Acoustic All-Stars Music Festival.

The Acoustic All-Stars Music Festival follows a Pay Yourself Ticketing™ process. Each artists/band is given a large number of tickets to sell or give away or do as they please. Once these tickets are in your hands, they're yours. The money you make off of those sales is your profit to keep. This is how you are paid for the AAS. Remember that if you give away all your tickets, you will not be paid at the show. These tickets are your responsibility and more will be refilled upon request until all tickets are gone. There are no rules to how you move your tickets, but remember, if you sell tickets for more than the face value, your fans will probably not be your fans for long. Feel free to be creative in how you move these tickets.

Please submit a demo (cd, video, DVD, mp3, OR online profile/website) of your performance, and a short bio about your group. If you want your demo returned, please include a self addressed stamped envelope, otherwise your demo will not be returned. Selection of entertainment and scheduling will be done solely from the application, demo, and bios. You are responsible to provide accurate information. Please update us immediately if any information or circumstances concerning your application change.

Each year we start the screening process over. Even if you have applied or performed for the AAS before, you will still be required to fill out an application and send in a demo.

Deadline for applications is on or before April 1, 2012.

Booking will be announced on or prior to May 1st, 2012.

Performers who apply early will be seen at shows prior to booking to see stage presence etc to pick the best slot. Get your application and demo in early. If your group is selected, you will be mailed a contract with important information about your performance. Please read this information carefully and sign where indicated.

Please return your application on or before the due date listed. Applications postmarked after May 1st will not be accepted without previous arrangements.
