*Thank you so much for sharing your gift and lifting our spirits. You are extremely talented and we were blessed to have you.*  
- Toronto City Mission -

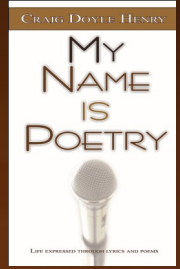

*Thank you very much for the wonderful presentation you put together for our school. I received a lot of positive feedback from both staff and students who really understood your message of self empowerment. It was very refreshing to work with a spoken word artist who is humble and professional. Keep doing what you are doing. I will definitely pass your info onto other teachers in Peel and Dufferin peel.*  
- Tia Duke (Teacher St. Joseph Secondary)

*Just wanted to personally thank you on behalf of WOW for another awesome performance! You were right on point and kept the show fresh and exciting. The comments so far have been great. We really appreciate your time and talent that you have given to us.*
