

## Dehlia Low Stage Plot

- 
- = Mic Stand  
□ = Instrument Pick-up with DI boxes (Band will provide 4 DI Boxes)  
□ = Stage Monitor

**Summary: 3 dynamic vocal mics in front, one in back for bass player.  
All instruments plugged in.**

### NEEDS:

Microphone Stands: 4  
Inputs: 9  
XLR Cables: 9  
DI Box: 1 (*for bass*)  
Stage Monitors: Ideally 5 with 5 separate mixes.

**Dehlia Low can provide all individual microphones and 4 DI boxes.**

**Dobro:** Line for pick up/DI  
*Aaron*  
**Bass:** Line for pick up/DI (Vocal mic)  
*Stig*  
**Fiddle:** Line for pick up/DI (Vocal mic)  
*Anya*  
**Guitar:** Line for pick up/ DI (Vocal mic)  
*Stacy*  
**Mandolin:** Line for pick up/ DI (Vocal mic)  
*Bryan*

*Additional Info:* Dehlia Low prefers a low stage volume when possible. Once the sound check is complete & levels are set, the band prefers to work the vocal mics with their body positioning for volume variance. Thanks in advance for your talents & help!
