## CLASS SOCIAL

Good morning everyone! A final date has been set for our class social. It will be **Saturday, August 28th (location and time to be announced)**. We will have a Salad Supper/Business Meeting. Now for you new ones, our business meetings are a blast! Not only is the food to die for, the business is interesting and brisk. We are a very active class and there's a lot going on. So if fellowship and missions is your "cup of tea", then you're in the right place. Please mark your calendars and plan to join us with your favorite salad dish (pasta, potato, chicken or green, it's all good). Oh yeah Craig, for you it's Hot Crab Dip.

## CLASS TEACHERS

Sunday morning we will submit names for teacher nomination. Just to let everyone know, our current teachers have agreed to serve again. If there are other names you would like to be considered, please be prepared to submit those names Sunday morning so we can see if they are willing and/or available. We will vote on **August 29th**. At that time we will submit our final choices to the SS Director for the new church year. New church year starts September 5th guys.

## UPCOMING EVENTS

I wanted to give everyone a briefing of our upcoming events that will be discussed at our social. Come prepared with comments and ideas:

- October Dance - To do or not to do.
- Beast Festival - October 30th
- Christmas Parade Plate Sale - December 4th
- Bryne Marr Project
