BEAST FESTIVAL—10/30/2010

This is a follow-up report to the Beast Festival that was held Saturday. As you all know, this was our first event to raise money for our “Sow You Can Go” Bit Evans Memorial Scholarship Fund. It was a HUGE success. In total, we raised **\$1,659.00**. I wanted to give everyone a breakdown so they would know exactly what we did. We sold 504 raffle tickets, received a \$500 lump sum donation from Jr. Sykes w/Sykes Paving, with the remainder of the money raised coming from food sales (cakes, pies, apples & beans). I thought we had a really, really good day and I appreciate everything you all did. It’s always a lot of fun working with you guys. You make it soooo easy!

As with everything, this event will continue to evolve. Next year we will need to make a few changes. Cornhole boards will not be popular forever, so we will always have to look for a new “niche” raffle item. Also, we have enough volunteers and willing class member that I think we can handle the cornbread cooking. Mom and Dad enjoy helping us, but we will not be able to rely on them forever. It’s our project and I think next year we should be able to pull this off without any problem.

Now that we have this event behind us, we can move on to other things.

CLASS CHRISTMAS PARTY

Works important, but so is play. It’s time to think about Christmas! What would you guys like to do? Come to class Sunday morning with some ideas. Before our calendars get full, we need to get something planned.

CHRISTMAS PARADE - 12/4/2010

Now it’s time to work again. We will be serving chicken plates at the Christmas Parade on December 4th. This is the second half of our scholarship fundraising project. Mark it on your calendar and we will discuss this in the very near future. December 4th will be here before you know it. Yikes!

Mission Opportunities - We need to set a date to take a Thanksgiving Meal to Mr. Doug in Clarkton and we also need to discuss Bryne Marr. I’ll see you all Sunday. Have a great week!

Connie
