Leadership

Group Leader - Margaret Kelly, **Co-Leader** - Genia Hester, **Secretary** - Connie Russ. As discussed last night, there will be times when Margaret cannot be present at every meeting. Margaret and Genia will coordinate lesson details.

It was our first meeting with our new fearless leader, Margaret Kelly. Thank you for keeping us focused and on task Margaret. Very good lesson!

Meal Groups

I will continue to post our Meal Groups until everyone has a chance to “memorize” their day and group members. **Sunday** - Connie Russ, Sarah Baysden, Vickie Clark & Gina Burney. **Tuesday** - Becky Stephens, Deborah Lennon & Paula Hester. **Thursday** - Shannon Wiloughby, Lynn Ransom & Becky Bryant. If for any reason you cannot prepare a meal on your assigned day, please contact one of our alternates: Becky Kelly, Penny Walters or Deidre Callahan (Deidre is available on Sunday only).

Once Shannon retrieved her keys from the dumpster, it sounded like our first meal service went well. Since there was a death in Alison’s family, the Sunday group will prepare their meal this Sunday (September 26th). Same plan as last week, just a different day.

Upcoming Events of Interest

- **Shoe Box Banquet** - Saturday, September 25th @ 6:00pm. There are a couple of seating spaces still available. If you would like seating, please contact Lynn Ransom. Cost \$10 per person.
- **Please bring items** for your tables shoebox Saturday night. At the end of the evening, each table should have collected \$80.00 dollars and have a complete shoebox ready for shipping.
- **Packing party** for all shoeboxes is scheduled for November 6th.
- This group also needs to be thinking about **“Our Purpose”**. Yes, the main mission of WMU is to support and promote missions, but we need to become a part of the mission work. As you go through your day-to-day activities, be aware of mission opportunities that may cross your path that can be brought to this group for discussion.
