

# Let Them Know You

## VERSE 1

//// //  
Bb Eb  
Here I am again, bringing you my family  
//// //  
Bb F  
The ones who don't know You at all  
//// //  
Bb Eb  
Give them ears to hear your Spirit's  
prompting daily  
//// //  
Bb F  
And let them hear your inward call

## CHORUS

//// //  
Bb Eb  
I'm on my knees, pleading for them now  
//// //  
Bb F  
That you would please let them know You  
//// //  
Bb Eb  
On their knees, pleading for their friends  
//// //  
Bb F  
that You would please let them know You  
(Bb)  
Let them know You  
//// //  
Bb Eb Bb Eb

## VERSE 2

//// //  
Bb Eb  
With my children Lord, pleasant times are  
ample  
//// //  
Bb F  
But have I caused a wound or scar  
//// //  
Bb Eb  
You know my greatest fear is that my own  
example  
//// //  
Bb F  
might blur them seeing who You are

(CHORUS)

## BRIDGE

//// //  
Bb Eb  
(Let them know You) in me  
//// //

from the change I'm undergoing

to want to know the one I love  
//// //

for themselves
