

# Too Far Away

words & music by  
John Dandrea

**Sometimes I just have to drop everything  
mem'ries come back like a dream  
I think about the friends  
and the home I've left behind  
and wonder if I'll ever see them again  
seems like every day brings the same old feeling  
as though I've lost a part of me  
I find myself surrounded  
by the mem'ries of the past  
I try to close my eyes, but I can't help but see**

**that I've been too far away,  
for far too long  
sometimes it doesn't quite seem fair  
I've been too far away,  
for far too long  
but that doesn't ever mean that I don't care**

**I know there's times when you fight back the tears  
whenever you see I'm feeling down  
but, you're the only lady  
that I can turn to  
and I really need you around**

**cause I've been too far away  
for far too long  
sometimes it doesn't quite seem fair  
I've been too far away,  
for far too long  
but that doesn't ever mean that I don't care**
