

Rocks In The Road

words : Steve Kuryla
music: John Dandrea

*There's rocks in the road everywhere I go
can't get away from the pain
of having to say goodbye before
and now I have to say it again*

*I know that you all were my very best friends
and I don't want to go now
but someday soon our paths will meet
I don't know where, I don't know how*

*There's rocks in the road everywhere I go
can't get away from the pain
of having to say goodbye before
and now I have to say it again*

*I hope that when we all get back
I'll be able to see
all the faces of all my friends
the happy way they used to be*

*There's rocks in the road everywhere I go
can't get away from the pain
of having to say goodbye before
and now I have to say it again*
