— s classen, Saskatoon Star Phoenix

"Once Just...a band who fuses tons of genres into a jubilee of energetic ear candy."

— Caitlin Clow, Youthink Magazine

" Not only is this album a great jam, it also has great harmony... A marvelously inventive band that knows how to make a song that goes down the ear lobe smooth. I expect big things from these guys."

— Adam A. Donaldson, Lucid Forge

"Once Just's fourth release is an interesting fusion of rock, ska, and reggae with loads of pop influences."

— JASON GLADU, Pop Jurnalism

"mixes reggae, hip-hop and punk into their rock sound to differentiate themselves from the multitude of sound-alike rock bands clogging the radio-scape."

— Ian Kucerak, Encore!

"Instantly likeable and entrancing, Once Just's.. album Destination is the sonic equivalent of a comfortable, well-worn pair of jeans."

— Andy Gemza, Scene and Heard

— Kris Stahl , BandReview.com

"Once Just presents a fresh style, catchy sound, and equally catchy lyrics. "

— Kristen Campbell, *The Fulcrum - Ottawa*

BIO

Once Just was started in 1998 by lead singer Caleb Cummings, the band has since released 4 full length albums, and 2 EPs while playing over 700 shows. In 2006, they signed to Joey "Shithead" Keithleys JSK Media/Sudden Death Records, and Keithley subsequently produced their 4th full length album entitled 'Destination'. Once Just have been credited for creating some of "the most upbeat, addicting songs in music today" (Troy Kamm, melodic.net). Often coined "musically schizophrenic", Once Just pulls their influences from all across the board from reggae, punk, hiphop, bluegrass, and even swing making it difficult to pigeon hole Once Just into any specific genre.
