Biography

Memory Fade picks up the pieces from a genre of music where emotion has been expressed through aggression and musicianship takes a back seat to the mainstream. Formed in 2003, it became inevitable that the bands combination of sonic abilities and endless ambition would create waves throughout the east coast modern rock scene. Since their inception, they have kept one goal in mind: to put on one hell of a show! Memory Fade has specifically been at the forefront of the modern rock scene in Richmond, VA with their unforgettable riffs, emotionally-charged lyrics, and high energy shows. Memory Fade brings a truly unique sound; a delicate blend of innovative songwriting and unparalleled talent. The Band has since performed with national recording artists such as Breaking Benjamin, Tap Root ,White Tie Affair and more...
