

# P.J. ZITAROSA

## Guitar \* Vocals

Guitarist P.J. Zitarosa's outstanding musicianship and versatility on his instrument sets him apart from the others. His love and superior knowledge of all styles of music gives him the ability to compliment any project he is a part of. With influences ranging from Albert King to Eddie Van Halen to John Scofield, P.J.'s guitar playing will become the chameleon that any artist desires.

### Here's what people are saying about P.J.!

"Wow man, your tone on those videos from Firefest V was an incredible wall of sound." OZ NOY (*Gavin DeGraw, Cindy Lauper*)

"The first time I heard P.J. play I immediately thought I should turn my guitars into coffee tables." GENE FOLEY (*Foley Entertainment*)

"P.J. has been working as a professional musician for quite some time now and is an extremely talented guitarist." VIC JURIS (*Corey Christiansen, Jimmy Bruno*)

"P.J.'s first appearance as Tyketto's lead guitarist was met with rave reviews this past October when the band headlined Firefest V in Nottingham, England."
