GRUNGE AT THE LEAGUES

Another term another gig! Cool, that's what we do at ROCKGOD- that makes us different. It's the gigs that drive the students & gives them direction. As they say in the music business - A gig is worth 10 rehearsals! and it's true.

This Term we are going back to the **CENTRAL COAST LEAGUES CLUB** on **Sunday 3rd July**. The **CONCERT CLASS** will be performing the **GRUNGE ROCK SHOW**.

You will be taken back to the 90's when Kurt Cobain and his fellow Seattle Rockers showed the world that music was more than fashion,

big hair and leather pants. Grunge brought together the best elements of Punk & Old School Metal putting them together to create an intense music that moved the world.

There will be 8 bands performing during the evening including the **GREEN METAL GUNS** , **GANGSTER SURFERS, NOW OPEN**, **TWISTED METAL, BROKEN GUNS**, **THE AMPS**, & of course the **CONCERT CLASS**.

We will also be introducing our new **OLD SCHOOL BAND** who have called themselves '**YER MUM!**'

GREEN METAL GUNS will kick off

the evening at **6pm** and the bands will follow each half hour, finishing with **YER MUM** at 9.30pm. The whole event should be wrapped up by 10pm. **Please support the kids & come dressed in GRUNGE!** (Check Curt Cobain out for inspiration!)

Every student will get **2 FREE** tickets to the Concert. There will be a door charge of \$5 for adults and \$2 for kids. Please pay at the door on the night. Students, be sure to pick up your tickets at RGMS HQ before your last lesson of the term.

SEE YOU AT THE GIG!

For those about to ROCK... We can teach YOU!

Please let everyone you know, who may be interested in picking up the guitar, about this great course. Places are limited so book with reception to secure your spot.

END TERM ASSESSMENT COOLE PLACES

This year we have been doing an "end of term assessment" to monitor how well our private students are progressing and to find out if they are interested and/or ready to join a group class.

I have asked the teachers to make a copy of the assessment available to students so they can pass it on to their parents to keep them up to date with progress. All assessments are read by the school principal (Jonny). Feel free to speak to us or your child's teacher about their progress.

Hey folks Im wondering if you could do us a favour?

If you love your lessons and the vibe at **ROCKGOD** could you please let the world know about it. The best way to do that is as follows.

GOOGLE—ROCKGOD MUSIC SCHOOL. Look for PLACE PAGE which will take you to Google places. Write a short snappy review of the School. This really helps us get noticed which helps us get YOU noticed. Cheers.

ROCKTOTS

ROCKTOTS continues to power on. Term 2 was great with all the TOTS getting the chance to play the big instruments. They also learnt a bunch of new songs which they will perform at their end of term concert.

Don't forget the TOTS have a new program that is written for each term. We strive to walk the thin line between positive repetition and becoming boring.

Our exciting program has the kids playing real Rock and Roll instruments and learning the basics of

Rhythm on percussion instruments. We also play lots of musical games and sing rock songs and rock rhymes which are created specifically for ROCKTOTS.

Have you become a fan of our **ROCKTOTS** page on facebook?

Become a fan and get regular updates of what our little rockers get up to. We post pictures of the little TOTS playing drums, electric guitar and dancing their hearts out!

Remember, You're never too young to ROCK!

Term 2 saw the introduction of our new OLD SCHOOL program and we are happy to announce our first OLD SCHOOL Band. They have called themselves 'YER MUM' which is a pretty left of field name for the old school rockers!

YER MUM will be performing at the end of term gig at Central Coast Leagues Club on 3rd July along with the other ROCKGOD Bands. It should be a hoot!

We will be having an **OLD SCHOOL JAM SESSION** this school holidays for anyone over

18 who may be interested in joining in the fun. It will be on **Tuesday 12th July at 6.30pm.** Its only \$10 for an hour of fun and noise.

Remember parents of current ROCKGOD students receive a family discount of 10% on term fees. What a great opportunity to share your music with the family.

So if you've been thinking of dusting off the old guitar, bass or microphone then **OLD SCHOOL** is for you!

OLD SCHOOL

AUS ROCK CONCERT CLASS REHEARSAL ROOM

Term 3's Concert Class will be performing the great **AUSSIE ROCK** songs that our country's music scene was built on.

From **AC/DC** to **Midnight Oil**, the Concert Class will learn from the masters who earned their trade playing in the pubs! We hope to pass on the stagecraft, excellent musicianship and attitude that our greats learnt from their tough apprenticeship.

Let your teacher know if you are interested in joining the Concert Class in Term 3.

As you know folks our Wembley Room is a fantastic space for music. We hire the room as a rehearsal studio when we are not teaching ROCKGODS. The room will also be available during the holidays if any of our students are interested in having a jam.

The Stratton Agency rehearsal studio has closed down in Erina so if you know of anyone or any bands looking for a great place to rehearse tell them about ROCKGOD.

Adious Amigos.
