

# Journey with the Elementals: Reconnecting with Sacred Earth Energies

Thursday, April 14 - Sunday, April 17, 2011  
All-Inclusive Shamanic Retreat

## Shamanic Drumming & Journeying with the Healing Energy of Ojo Caliente Mineral Springs

Learn dynamic ways of attuning to nature, for stimulating joy and creativity in your life, and for harmonizing your energy systems on all levels of being. This retreat is designed to heighten your perception of natural creative forces, and to enhance your communication with the fundamental intelligence of the natural world.

We will use traditional shamanic methods to connect with the Elemental Spirits of Earth, Fire, Water, and Air. Balancing each visionary experience, we will extend our awareness into the physical world through mindful activities at the sacred mineral pools and ancestral pueblo sites of Ojo Caliente.

## Ojo Caliente Mineral Springs Resort & Spa

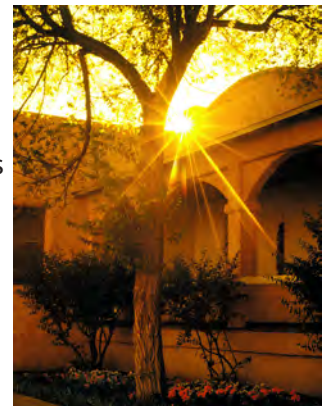

Ojo Caliente, located near Santa Fe, has been revered as a sacred site for thousands of years, and the Resort recently was awarded "Best Top Ten Hot Springs Spas in the World." It is the only hot springs in the world with a remarkable combination of four different types of mineral waters: lithium, iron, soda, and arsenic. Over 100,000 gallons of sulfur-free, geothermal mineral waters surface each day from subterranean volcanic aquifers, revitalizing those who soak in the long-believed healing waters.

## All-Inclusive Shamanic Retreat

This unique retreat begins at 5pm on Thursday and ends at 2pm on Sunday. Retreat cost includes all lodging (double occupancy), meals, entrance to mineral springs, sauna, steam room, and mudbath - including arrival and departure days, seminar fee, materials, gratuity and taxes. (Note: mud bath availability is subject to weather conditions.) Cost does not include alcohol, spa treatments or other incidentals that may be purchased separately.

## Retreat Facilitators

Jim Kinney and Jennifer Peters are co-founders of the Santa Fe Harmony Center, which offers experiential approaches to healing and transformation through energy medicine, drum circles, music, workshops, and groups. Jim has studied the medicine ways with Lakota, Cherokee, Blackfoot, and Crow Nations. Both Jim and Jennifer are graduates of The Four Winds Society, and have worked directly with elders of the Q'ero people in Peru. Jennifer and Jim believe that connecting with earth energies is key to healing and transforming our personal and collective consciousness.
