

Become a Being of Light

The Munay-Ki Rites of the Q'ero People

Throughout time, healers, visionaries and mystics have received rites of initiation for attuning the human energy field to higher frequencies, allowing the light body to grow and expand. The Munay-Ki Rites are attunements which enable an awakening of consciousness to the energy of light, the experience of oneness or unity consciousness. In this experiential course, you will receive all nine rites as transmitted by the Q'ero Elders of Peru, and you will learn how to transmit these rites to others who desire the experience of holding a higher vibration.

Today, many of us understand the importance of physical, mental, and spiritual harmony; not only for our own well-being, but for that of our families, communities, society, and the planet as a whole. We recognize that the world's problems are reaching a "critical mass," and believe that the ultimate solution to these problems will be achieved through a general, spiritual re-awakening, expanding outward from the personal to the global. From a new worldview of unity consciousness, we can write a whole new set of ways of seeing ourselves, our problems, and their solutions.

The Munay-Ki rites are the sum total of attunements handed down from master to student, in the tradition of the Q'ero people of Peru. These rites clear your luminous energy field of psychic sludge left by past traumas. As you receive the Munay-Ki, your chakras become clear, and glow with their original radiance. This allows your energy field to be more receptive to information from higher states of being, creating a new architecture in your energy field that allows you to carry more light. Once you receive the rites, they are yours to give. In learning to transmit the Munay-Ki rites, you learn to give the gift of illumination.

This three day course is a sacred event. The nine great rites are energetic transmissions that can provide you, your loved ones, and your clients with a way to engage the soul's journey, consciously and with intention. The Munay-Ki are energetic keys for experiencing unity consciousness, to support you in bringing light and healing into the world.

Jim and Jennifer Kinney co-facilitate workshops at the Santa Fe Harmony Center. They are certified practitioners in Healing the Light Body and Energy Medicine. Both received the Munay-Ki rites directly from Q'ero shamans in Peru. They were trained to transmit the rites by The Four Winds Society faculty, and learned how to gift the rites in the traditional Quechua language through "Sacred Pathways." They are Human Potential Practitioners.

The Great Rites of Transformation: The Munay-Ki of the Q'ero Medicine People

Following is a brief description of the nine sacred rites that participants will receive and learn how to transmit:

Rite 1: Bands of Power

This rite installs five energetic bands of protection into your luminous energy field. The bands act as filters, breaking down any type of energy directed at you into the elements of earth, air, fire, water, and pure light. In this way, even “negative” energies nourish you instead of depleting you.

Rite 2: Healer's Rite

This rite connects you to a lineage of Earthkeepers from the past that will assist you in personal healing during meditation and sleep.

Rite 3: Harmony Rite

In this rite, you will receive seven archetypes into your chakras, which help combust any psychic sludge that has built up in your chakras.

Rite 4: Seer Rite

This rite awakens neural pathways that extend from your visual cortex to your third eye and from the visual cortex to your heart, facilitating your ability to perceive the invisible world.

Rite 5: Daykeeper Rite

This rite connects you to the lineage of light workers associated with the sacred feminine, helping you to step beyond fear into peace. It connects you to the power of ancient sacred places.

Rite 6: Wisdomkeeper Rite

This rite connects you to the lineage of light workers associated with the sacred masculine, helping you to step outside of ordinary time and space.

Rite 7: Earthkeeper Rite

This rite connects you to the lineage of luminous beings who are guardians of our galaxy, to bring healing and balance to any situation. This rite helps you learn how to dream the world into being.

Rite 8: Starkeeper Rite

This rite connects us with the time to come, leaving behind the stories that have shaped our lives so far. It transmits the codes for us to evolve into the new human being, Homo luminous.

Rite 9: Creator Rite

This rite awakens the God-light of unity consciousness within you, to acquire stewardship for all of creation.
