Thursday, April 19 - Sunday, April 22, 2012
All-Inclusive Spiritual Retreat

Blending Shamanic Journeying & New Thought Spirituality

The Santa Fe Harmony Center, joining with the Santa Fe Center for Spiritual Living, invites you to open your heart and mind to the energy of creation through the energetic partnership of shamanic traditions and Science of Mind (SOM) spirituality.

Come deepen your connection with Spirit through the visionary practice of shamanic journeying, and learn how to use spiritual mind treatment and affirmative prayer to voice and anchor your visions in daily life.
