We always have a blast in Wind Lake! Lots of familiar faces, friends, and family joined us on this beautiful Sunday afternoon. The street fair will be moved to a park next year and I'm sure it will be just as fabulous! Thank you to the Wind Lake Chamber of Commerce for another successful Wind Lake event.

Talk about party animals! We played at the Barn in a beautiful park in Wind Lake. It was a beautiful wedding and everyone was celebrating! They danced every dance and sang along to every song. Lots of talent in this crowd! We wish the bride and groom a long, full life of happiness.

A beautiful new house on a beautiful lake was the backdrop for a great party! We set up in the front yard next to the lake. It was a great night to celebrate a housewarming and the 22nd Anniversary of the Bluemel's. Family & friends danced, ate, and drank, the kids zoomed around the property on golf carts, the bonfire was taller than us, and the weather was perfect! We all had a great time! Congratulations on 22 years!

A big thank you to the Libby family for inviting us back to rock Miller Lite Park this year! You make us feel like part of your family and we appreciate you. Thank you to Marty and Mike who came to EVERY show! Thank you to our friends and relatives who stopped by to party with us, and to all the new friends we made at the shows. It was a great run and we feel blessed!

We packed up our gear at State Fair and headed to Big Bend for St. Joseph's Fun Fest. It was held in the HUGEST tent! Once the sun set, Big Bend came out to PARTY! We had so much fun and met such nice people at St. Joseph's. It was great to be back!

Another perfectly beautiful day at Wisconsin State Fair! State Fair goers enjoyed sunshine, cold Miller beer, luscious Libby's lemonade, GATOR TATORS, friendly people and SIX PACK! Lots of friends stopped by and we had a great time! Only one more day at the Fair on Sunday - - - boy, our sound man, Kevin, is REALLY going to miss us! 😊

"Rain, rain, go away..." We arrived at Miller Park stage at 9:30 a.m. The rain was coming down in buckets and the wind was blowing like crazy! Our sound man, Kevin, told us we were on hold until we could safely set up. By 10:30 we were rolling up the tarps and getting ready for the 11:00 show. The skies cleared and everyone was ready to rock! A few rain showers came and went throughout the afternoon, but that doesn't stop Wisconsinites from dancin' in the rain!

OPENING DAY of State Fair!!! We are so happy our Miller friends invited us back to their stage. They DO have the coldest beer at the Fair and the BEST lemonade! Gator Tators are back this year too! You have to stop by and meet the nicest people serving up great Miller products! We had a great time performing and saw lots of friends. Jerry & I went to the Foreigner concert after our show - AWESOME! I posted the pictures on the photos page.

We LOVE Cudahy and we had an awesome time performing at the Lion's Sweet Applewood Festival last night! So many friends to visit and so little time! It was great to see Fay and Jim, Darlene & Dragan, Dirt & Candi, and Paul & Pat! The highlight of the evening was when Barry got on stage and rocked the house with "Great Balls of Fire"! Ooh, that made a lot of people very happy! Then he finished it up with a SHOE BEER! Yes, life is good! Barry was our SIX PACK "Rocker" of the night! Be sure to visit the Photos and Rocker pages. Thanks to our Cudahy Lions for great hospitality and a GREAT festival!
