Last night we played for the South Side Scholarship Foundation's 41st Mardi Gras Dinner Dance. This fine group of volunteers works tirelessly to offer scholarships to students. They have awarded \$299,800.00 to date. The theme this year was "Making A Difference" and that is exactly what they do, together, as a community. Last year's king and queen, Pat & Carla Coffey crowned the new royal couple, Randy & Lynn Krenn. SIX PACK was happy to be invited back again this year to entertain the crowd. Thank you all for the wonderful service you provide to our community. We wish you continued success!

In a local tavern on the shores of Wind Lake, on a 50 degree day, it was February 7 and it was EVERYBODY'S BIRTHDAY! I'm not kidding - you have never seen so many people celebrating their birthdays. The names I remember are: Marilyn, Lisa, Ashley, Terry, Sharon and Mike. SIX PACK was there to keep the party rockin'! The crowd used every bit of extra space around the bar to dance the night away. We all had a great time. Happy Birthday to all our friends and thanks for partyin' with SIX PACK!

The South Milwaukee Yacht Club was rockin' last night with SIX PACK! This fun-loving club really knows how to throw a party! They began the evening with a nice dinner and installation of new officers and then they hit the dance floor! Congratulations to the new Commodore - Mike. Thank you to the South Milwaukee Yacht Club for inviting us along to share your special evening. We're looking forward to the Pig Roast this summer. Watch the schedule for confirmation.

SIX PACK is looking forward to our next public appearance at Lure-U-Inn in Wind Lake on February 7. Come party with us as we celebrate Marilyn's birthday!

It was a CRAZY Saturday night at the K Ranch! Larry & Sue brought the Southwoods staff, friends, and family to the K Ranch to PARTY and celebrate another great year of business. The drinks were flowing, hot wings, shrimp, meatballs, and taco dip were served, and SIX PACK was rockin'! The K Ranch "Super Team" of bartenders worked hard all night serving the crowd. The Miller Girls were there with a fun game for everyone to play and win fabulous prizes. Everyone was out to have a great time and it was sure fun being part of it. Many thanks to Larry, Sue and Jerry for hosting a great party!

It was a snowy night in Milwaukee and most people were home shoveling EXCEPT for the fun people who came out to party with us at Kiko's! Kiko's is a great place for live entertainment 3 times a week. Scotty and the gang offer a great venue to dance the night away. Many thanks to all the people who put off shoveling and came out to hear SIX PACK. We had a great time and met some great people.

We hope to see you all tonight at the "K" Ranch in Cudahy for another awesome party! Larry, Sue and the whole Southwoods gang will be there partyin' with SIX PACK!

HAPPY NEW YEAR! We started out the year rockin' and rollin' with the puppies! Dairyland Greyhound Park invited us back to rock in the new year "Six Pack" style! Lots of friends and family joined us to celebrate the beginning of the best year ever! We had a blast and met some lovely people. There were lots of people from Illinois that would like us to gig across the border in their towns. We would love that! Keep watching the schedule for upcoming shows. SIX PACK would like to say thank you for a fabulous 2008. We're looking forward to more fun and craziness in 2009!
