It was a spectacular afternoon of rock and roll in Milwaukee! Six bands were lined up, and over 750 people came out to support the "Dance 4 Donna" benefit, for Donna Travis, beloved wife of music icon Chuck Travis. Six Pack performed one hour of high intensity rock and roll. Thank you to all the musicians for donating your time and talent, and the volunteers for organizing this successful event. Please keep Donna, Chuck and their family in your prayers.

After an hour-long traffic delay on Hwy 43, we made it up to Green Bay on Friday night. Purcell's was jumpin' and vacationers were out to have a GOOD time! There were birthday parties, work parties, and lots of celebrations taking place. Many friends and family from around the state came to Green Bay to party with us. Saturday night brought more fun and more friends to dance the night away. Purcell's always treats us well, makes us feel welcome, and we have a GREAT time! Thank you for sharing a fabulous weekend with SIX PACK!

It was a chilly Sunday afternoon in Milwaukee, but Danny Grainger's 60th birthday party was HOT, HOT, HOT! The party was held at his establishment, Grainger's Pub & Grill. Friends and family gathered to wish Danny a Happy Birthday and dance the afternoon away. Many thanks to Danny for inviting us to share his special day! We had a great time!

The Milwaukee Bucks Invited us to join their Bucks Preview Party and Tailgate on the Bradley Center Plaza. Jim Paschke, Ted Davis, Bango and the Energiee Dancers were all there to "tip-off" the new season. Season ticket holders were invited early to eat, play games, dance and get signed autographs. The general public joined us later and, after the show, were invited inside the Bradley Center to view the first official Bucks practice. The weather held out and it was a beautiful fall day. Many thanks to our buddy Dragan for filling in on bass. We can't wait to party with the Bucks fans again during playoffs. GO BUCKS!
