We headed to Clyman, WI for the Charlotte's Web of Hope fundraiser. This was the most spectacular fundraiser we have seen. They set up a Chinese raffle, ornament sale, t-shirt sale, bracelet sale, bake sale, High Rollers raffle, 50/50 raffle, and live auction. The event was hosted by the Lions Club and emceed by our friend, local auctioneer, Dan McKee. The Clyman Fire Department also presented a nice check to the family. Clyman is a town of 386 people. Each and every one of them was there to help a local family get through a trying time. Charlotte Elske is a 2-year-old Leukemia patient. She is a strong, beautiful little girl who has spent too much of her precious life in hospitals. This special night of love, community spirit, support and giving will help the Elske family in so many ways. We are humbled by the generosity of this town and proud to be part of this event.

After celebrating with the Milwaukee Bucks we packed up our gear and headed to Cudahy to rock the K Ranch! We set up in the new building which allowed much more dance floor for the ghosts and goblins. Bridal Dreams Barbie (Christy) and American Hero G.I (Bert). Joe took 1st place in the costume contest. They were married 3 weeks ago, so Christy really got some use out of that wedding dress! It was Chuck's birthday and we all celebrated with his family and friends. Thanks again for a great night of rock and roll!

It was a chilly October night in downtown Milwaukee and the Bucks were heating up to play their first home game of the season. The guys were carving bushels full of pumpkins outside on the mall and the Bucks fans were coming out in costumes to celebrate Bucks Fever! It was another great party and we had a ball! GO BUCKS!

Wind Lake Farmers Market Harvest Fest was a great time! It was held behind Town Hall, right next to beautiful Meyer Park in Wind Lake. It was a great way to end a spectacular fall day in Wisconsin!

We traveled to Watertown to record Jerry's original "Fear The Deer" for the Milwaukee Bucks organization. Our buddy, Paul Barry, stopped down to check out the action and sing some back-up. Jeff at McCormick Media is an awesome technician and helped make the night a lot of fun. Three hours, a case of Schlitz, a case of Miller, and we left with a great CD to present to the Bucks.

We had a fun afternoon wrapping up the last day of Wisconsin State Fair. It was a perfect weather day and Wisconsinites came out in force to dance, eat, and enjoy all that State Fair has to offer. Many thanks to our wonderful hosts, workers, and volunteers at the Miller Lite Stage. We've become friends over the years and we always enjoy returning to their stage. We love to see the kitchen workers, grounds crew and bartenders dancing and singing along with us as they serve up great food and beverages. Thank you to all our friends and family for spending a lovely afternoon with us in West Allis.

Oooh, it was a HOT one at State Fair! The sun was blazing and Miller Lite Park was rockin'! We arrived at the park thinking we were playing until 3:00. The schedule stated 5:00, so we geared up for a long 5 hour show. Miller Lite Park added "Sliders" to the menu this year, which made Jerry very happy! As always, the Miller Lite Crew were fantastic hosts and rocked out with us all afternoon. We saw lots of friends and family and had a great time. We can't wait to return to the park on Sunday for another show.
