July 30, 2010

We love our Cudahy Lions and Sweet Applewood Festival! It was the annual Cudahy All-Class Reunion on Friday night and Cudahy Park was rockin'! Our good friend, Dragan (also part of the reunion) stopped by to crank out a few numbers on bass guitar. We had lots of special birthdays in the crowd. We all had a blast! Many thanks to the Cudahy Lions Club for this community event and their dedication to the city.

♪ ♪ Rain, rain, go away...♪ ♪ is what we were singing all night in Cedarburg. We were playing poolside at a private party at the beautiful home of Craig and Pam Kuper. We would set up, then it would rain, then we would tarp everything and go inside. The sun would come out, we'd finish setting up, then it would rain again! This went on more times than we care to remember! We finally got some music and dancing in before the night was over. Craig kept his guests happy with chilled tequila shots. Today we dry everything out and reminisce about our water adventure!

We were invited to the beautiful Italian Community Center to play one of their Thursday Rock & Roll shows. Due to unpredictable weather, our outside show went inside to a hall, but that didn't stop our friends from rockin' and rollin'! It was fun to reunite with friends we hadn't seen in a while. We even had some friends from Los Angeles, CA who came out to party with us. Many thanks to Fay for taking pictures and sharing your pictures with us. Thanks to the Italian Community Center for their wonderful hospitality and especially for the delicious pizza after the gig! We loved our waitress, Sabrina!

On a beautiful, windy, 87 degree day we traveled up to Campbellsport, WI for their 4th of July celebration. Lots of friends also made the trip up to Campbellsport to share the day with us. It was a nice surprise to see Paul Barry and Pat. They are visiting from Florida. Barry jumped on stage and sang a few rockers with us before climbing up on the bar and doing a SHOE BEER! It was awesome! Thanks to the Campbellsport firemen for inviting us back again this year. They run an awesome festival and we love being a part of it.

The Boelke's invited us to join their party of fun-loving friends to celebrate their 25th anniversary. They have been out partying with SIX PACK many times, so they knew Jerry was going to ask the audience to participate in a sing-a-long. They are known for being pranksters, so they told everyone at the party to sing completely random lyrics! It was a riot! Thanks for a great time. We wish them many more years of love and craziness.

At 9:00 a.m. on a rainy, Saturday morning we arrived at Potawatami Bingo to play BINGO BASH! Thanks to the nice security officers we made our way down the hallways, up the elevators, over the river and through the woods to the HUGE 1350 capacity Bingo hall. We played 2 shows - 10 - 11:45 AM and 4 - 5:45 PM. It was nice to see our friends come support us at this new venue - Gary, Warren, Marlene and our State Fair friends. Warren even brought his own "wheels". We had a nice time and met some nice people. We appreciate the Potawatami staff for making us feel welcome.
