

SIX PACK News May – July 2009

July 26, 2009

A perfect afternoon to rock and roll in Sturtevant with all the nice people at St. Sebastian. They had some great raffles going on, but I still haven't received the phone call that I won the big one! We're looking forward to seeing everyone on Friday in CUDAHY! It will be an all-class reunion for Cudahy High School...spread the word!

Enveloped by beautiful, mature oak trees, at Fireman's Park in the heart of Lebanon, WI lies an outstanding new park shelter. This awesome new structure was built by the community through donations, volunteers and fundraising efforts by the firemen, Lions Club and the town of Lebanon. We were honored to be the first band to christen the new stage! It was a special night visiting with our friends Paul, Pat, Gary, Julie, Marlene, Warren, Al and Linda. Thank you for coming out. We LOVE to see you! Thank you to our sponsors for the evening and all the nice folks from Lebanon!

Another trip up I-43 to Silver Dollar Days in Howard's Grove, WI. It was nice to meet Marty's friends and co-workers, Nils (from Germany) and Al. It's always nice to see our good friends Warren & Marlene. The skies opened up and the rain was pouring down, which always leaves us with a captive audience under the big tent! Thanks to the great volunteers and fabulous bartenders for putting on a nice festival and making our job so much fun!

July 11, 2009

We started our July I-43 tour in Francis Creek, WI. We enjoyed listening to the Doo-Wop Daddies show and watching the tractor pulls before we took the stage. It was a beautiful night to be dancin' under a tent! Many thanks to Warren & Marlene for traveling to see us and for handling the t-shirts, posters and schedules during the show. Thanks to Al & the gang for inviting us up to share French Creek Days with you!

It was a double-header on the 4th of July. We had a beautiful ride to Fireman's Park in Campbellsport, WI, saw an excellent parade and car show, then rocked the afternoon away. There were lots of firemen there from the surrounding communities. A special thanks to our friends who traveled up to Campbellsport to spend the afternoon with us! Linda became our SIX PACK "Rocker" of the day!

Then we hopped in our vehicles and traveled back to Cudahy for their 4th of July evening celebration. It was awesome, as usual, and we saw lots of familiar, friendly faces. HAPPY BIRTHDAY to Mom K. who spent her birthday with us. Thanks to our sound company, Millivolt Productions for running two of our shows in one day. The fireworks were spectacular! It was a great weekend!

After a long and winding road through Illinois we arrived at Lakeside Festival in Crystal Lake, IL (thanks to the GPS)! It was great to see Warren & Marlene who traveled from Horicon, WI. It was also nice to see our Illinois friends who frequently travel up to Wisconsin to hear the band. We also met Marty's friend, "Ranger Bill". Many thanks to B & B Productions for a great job on sound. The weather was perfect and it was a beautiful day for rock and roll!

Another great weekend! We started on Saturday night at the Elkhorn Fireman's Picnic. They had a great set-up with the stage on the street outside of the fire station. The Elkhorn firemen were excellent hosts and we all had a great time dancing the night away on a perfect Wisconsin night. Sunday we spent the afternoon at St. Paul's Church festival in St. Francis. We had a visit from Paul Barry & Pat. It was great to see our Florida friends! Thanks to all our friends and family who spent Father's Day with us.

Sunday we traveled across the state to Sparta, WI for the 25th celebration of Butterfest! They have a great festival and we were so happy they invited us to share the fun! We met some of the nicest people in Sparta! We chose an awesome "Six Packer Rocker" - Tracy. Tracy and her family have made Butterfest a family event for years and they know how to party! Many thanks to Randy for running a beautiful festival and for asking SIX PACK to rock in Sparta!. We have some great pictures posted on the Photos page. Also, be sure to check out Tracy on the Rockers page.

The Patio in St. Francis was rockin' last night! We played for the Barborich wedding. The groom, Joe, is a well-known Milwaukee musician and lead guitar player for Katz Sass. The bride, Nancy, is an awesome singer from Jones Island Clambake. So you get these two hitched and invite all their musical friends and family and you have a JAM SESSION! We played the first hour and then turned the stage over to members of Jones Island Clambake, Katz Sass, Coupe Deville, and the Rockerfellers! We did a few tunes in the last set and then our bride finished off the evening with "Take It Off". Joe & Nancy were chosen as our "Six Pack Rockers" - be sure to see the "Rockers" page. We were thrilled to hear all of the great talent and happy to see so many friends from other bands. I told Joe he must have a yearly anniversary party because this was so much fun! Check out the photo page for pictures of all the guest stars...

It was a beautiful day to rock and roll! The sun was shining and Wind Lake was rockin'! There is something for everyone at Wind Lake Street Fair - shopping, drinks, raffles, food, and SIX PACK! I am especially fond of the jewelry booths! Many thanks to the organizers of this great event.

May 10, 2009

Next Sunday we'll be back at Wind Lake Street Fair. The Wind Lake Pirates are collecting non-perishable food items. When you drop off items at their booth, you will be entered in a drawing for fabulous prizes - gift cards, gas cards, etc. The Pirate booth will be set up directly across from our stage.

Our website, Bandzoogle, did a serious overhaul this week. They site may look a little different until they work out all the bugs. We've added a new "Rocker" page - be sure to check it out. You could be our next "Rocker"! The set list has been updated with new songs and artists. We have a new Promo page with pictures of our 2009 "Brew Up Some Fun Tour" t-shirts, available for \$10.00. The schedule is awesome this year! We've been fortunate and we are thankful. There's always something new brewin' at SIX PACK Central, so come back and visit us often.

The Watertown Country Club had a "Derby" party last night. The women wore fabulous hats, and even had a hat contest. The winners won red roses. It was a beautiful, stylish party. It was Gary's birthday and his guitar playing was amazing last night! He was truly in "the zone"! We had a great time and met some awesome friends! Be sure to check the photo page for pictures of the fabulous hats!

The Charter Steel party on Friday night was great! This intelligent, hard-working group got together to celebrate an amazing accomplishment. They were all very talented too! The room was full of singers, guitar players and drummers! Thanks for a great time!
