

DLC ROADHOUSE

39128 Dexter Rd. Dexter Oregon 97431

Welcome to the DLC Roadhouse & Café!

This Iconic establishment has been here in Dexter and in our hearts since 1949. The history of the building is long and lively and includes the “Road Trip” scene filmed here for the classic movie “Animal House.” The Dexter Lake Club has a long history of being a great “Live Music Roadhouse” as well.

We opened in December 2011, with a clear vision of bringing back the Classic Roadhouse feel to The Dexter Lake Club and providing quality live music as well as a comfortable and inviting atmosphere to enjoy libations! Our Café offers great home-style comfort food for you to enjoy both in the café and the bar, including daily breakfast, lunch and dinner specials.

We hope you enjoy your visit here, come visit us again and tell all your friends that we are open and to come see us as well! We look forward to getting to know you as friends and family!

Don't forget to take a picture in the “Animal House” Booth!

Thank you for your patronage and support!
