

You will learn

- How to approach learning a song
- Vowel modification (singing in tune is more than just pitch)
- Microphone technique (how to hold and use a microphone)
- Expression and individuality
- Stretching boundaries
- Development of self confidence (stage presence, etc)
- Workshop focuses on helping complete beginners and singers obtain experience in all mainstream genres of music
- How to transform nervousness into creative energy
- Allowing yourself the freedom to accept compliments and feedback
- How to record your vocal track
- Learn to allow enjoyment to be present!

"As a beginner it was a very safe and supportive environment. Even though I was scared I wasn't intimidated and I didn't feel in any way inferior to anyone else in the workshop."- Bonnie

Weekend workshop schedule

- Friday: 5 - 9pm
- Saturday: 10 - 5pm
- Sunday: 10 - 3 pm
- Sunday: 6pm concert to show your stuff!
