Marguerite Evans

Marguerite's personal testimony of freedom from insecurity and low self worth brings inspiration and freedom to many. Her story is one of hope and destiny. She was born and raised in South Africa and was crowned Miss Universe South Africa First Runner Up 1997. She founded Marguerite Evans Ministries three years ago and is currently a prayer minister for the 700 Club Interactive Show. www.MargueriteEvans.com As a 7 year old Marguerite told her mother that she wanted to die. Her parents divorced when she was 9 and her father died when she was 14. Marguerite got radically saved in her early 20s. She shares on her journey of walking out of bondage into the freedom that Jesus paid for & her journey in becoming a daughter of the Father. The love of the Father, knowing in her heart that she is His child, not just another person on the planet, completely transformed her life.

26-year-old author, speaker, and singer/songwriter Tiffany Dawn has escaped her native New York winters by traveling cross-country on a speaking and book tour. She shares her journey into freedom from struggles with body image and identity through "The Insatiable Quest for Beauty" book and seminar. With her master's degree in music therapy, Tiffany serves as adjunct faculty at an online high school, where she teaches music classes, including "Intro to Songwriting." Have you ever felt like you had to be "good enough" or measure up to an unreachable standard? Tiffany shares her journey from struggling with poor body image, disordered eating, and a harmful relationship, into discovering freedom and confidence in Christ's unconditional love. Through storytelling and performances of original songs, Tiffany shares her new identity and the steps she took toward freedom from an obsession with perfection.
