Address: All Venice Properties (Please email info@veniceprops.com for verification of address before any work is done)

To whom it may concern,

The above apartment has Venice Properties permission to have cable installed into the additional rooms as needed, please accept this as permission. The cable must be run through interior walls or through closets if possible, drilling is permitted through interior walls only. The tenants must be there at all times while installation is being done. Please note that Satellite Systems are a violation of the tenants lease, **you do NOT have permission to mount a satellite unit to the building or roof.**

If you have any questions please email info@veniceprops.com

Thanks,
