First of all, **Addictive Drums sounds absolutely awesome, perfect, modern and powerful!**

Addictive Drums is the supreme Drums solution for any of my productions.

I don't mind which is the music style and genre I'm working on, thank to Addictive Drums I can assemble my drums track straight away, everything sound great, with the true feel, energy and brightness.

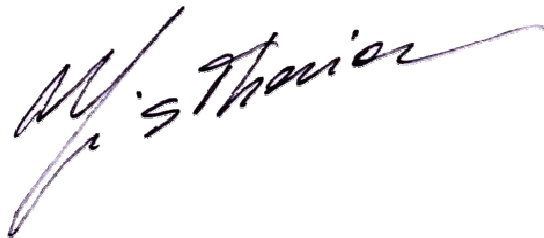

The all-in-one user interface is totally fantastic! I can choose and build my drums kit searching in the high-quality sample library, drag my favourite grooves and patterns in the sequencer, select and edit the right high-quality effects, having the total volume, microphone balance, filter and dynamic controls. Everything in a couple mouse clicks...

Moreover, the MIDI PAKs are the vital tools to build up your "real" drums track!

I'm using the astonishing **Metal Midi Pak** on my new works, it sounds totally fantastic!

Thanks to **XLN** staff for the great job.

If you are looking for an ultimate, high-end class and easy-to-use Drums plug-in, you have the key: ADDICTIVE DRUMS by XLN Audio.
