Praised by **Country**, **Folk**, and **Americana** fans alike for his songwriting, David's powerful, clear voice, broad palette of guitar techniques, and easy comfort onstage come together in compelling and often humorous songs about fistfights, tender loves, drunken dates, and naked heartache.

Fast becoming a favorite in high profile venues, David has appeared in support of headliners such as **Poco**, **Michelle Shocked**, **Leon Russell**, **Radney Foster**, and the **Proclaimers**.

David was selected from among 75 competing artists as the winner of the **2010 Acoustic Slam Competition** sponsored by the NightCat in Easton, MD.

For the March **2009** flight of the **Space Shuttle Discovery**, David's song, "In A Little While" was chosen as the wake up call for the crew while docked with the International Space Station, an honor he shares with artists such as Paul McCartney, Elton John and Willie Nelson.

In **2008**, David appeared on the premier episode of **Nashville Star** on **NBC** as one of the ten worldwide Navy finalists for the military casting call filmed aboard the Iwo Jima.
