Chord Progression doesn't change (E B C#m A)

Verse 1

In your hands I see the nails that held you on the cross
On your feet I see the scars from when you paid the cost

Chorus

**It was all for me, It was all because of me
It was all for me, It was all because of me**

On your brow I see the thorns you humbly wore for me
On your back I see the stripes you gladly took for me

Chorus

Your pain, it was all because of me
Your shame, it was all because of me
(Repeat)

Chorus

How could you love me that much,
How could you love me that much,
How could you love me that much, oh Lord
(repeat)

Why do you love me that much,
Why do you love me that much
Why do you love me that much, oh Lord
(repeat)

(Chorus)
