Fees:

Registration Fees cover the cost of Musikgarten materials for your child for the semester. Materials are simple, developmentally appropriate and made of natural materials, as much as possible. Registration fees are due with registration to hold a place in a given class.

Materials are required. If you have a second child enrolled in the same class you do not need to pay a second material's fee. Siblings may re-use materials in future classes.

If registration fee is received for a class that is full or for a class that does not have sufficient enrollment your fee will be refunded.

Tuition Fees pay for the actual class experience for your child.

Your teacher has years of experience and training in music, movement, and in teaching children. She will work hard to provide the best classes possible. Little Timbre Studio strives to offer superior educational experiences for your child at reasonable costs for families.

Tuition payment may be

- a) Paid in full at the first class (check or cash)
- b) Paid in installments – bring three checks to the first class (2 checks for summer)
- c) Paid via Pay pal – email me to request an invoice

Discounts:

Families with more than one child enrolled in Musikgarten may deduct \$10.00 from the tuition of each sibling after the first child enrolled. Families with two children enrolled in the same class may deduct 25% off the tuition of the second child (Fall/Spring).

Withdrawals/Refunds: There are no refunds or credits for absences. These are classes where everyone, especially the children thrive with consistency and numbers needed for class activities. Socialization and community is integral to the benefits of Musikgarten.

For withdrawal a \$25 cancellation fee is charged for notice given prior to the session starting; a \$40 cancellation fee is charged if notice is given after a session has started. Refund for withdrawal is given on a pro-rated basis, and only for pre-paid tuition, not for materials that have been received and taken home. There are no refunds after the 5th week of class.

Important:

Parents, legal guardians of minor students and adult students waive the right to any legal action for any injury or damages sustained at Tamarack Wellness Center or Little Timbre Studio, resulting from normal class activity or any other activity conducted by the student before, during or after his/her class.

I have read and agree with Little Timbre Studio's 2009 Musikgarten Policies.
