

To whom it may concern,

I am the program director at 103.7 WSOC & 610am WFNZ, in Charlotte, NC and it is my pleasure to write this note of recommendation for the band "Matter of Fact".

We are a part of over 30 live music shows per year including the Carolina Panthers home game at a venue called The Dog House which is next to Bank of America Stadium. In 2008 our organization was fortunate to have this crowd-pleasing band perform at seven of our events.

We hired Matter of Fact sight unseen and without any auditions because they came highly recommended by several reliable sources and we were not by any means disappointed with our decision. The band members are genuine and real in their love for the type of music that they played and absolutely have a blast performing.

The band gets the highest marks for important issues such as starting on time, musical quality, professionalism, easy to work with, attuned to the audience and appropriate to the venue.

Matter of Fact will be back with us in 2009 and I would wholeheartedly recommend the band to any venue where people are expecting a top notch performance and great music.

Best regards,
