Located on 55-acres of the 2,400-acre Little San Salvador Island, Half Moon Cay has been rated as "Best Private Island" by Porthole Cruise Magazine for the past four years. An international bird sanctuary in the Bahamas (only two percent of the island is developed), the beauty and serenity of Half Moon Cay is second-to-none.

What makes Nassau so special? Picture an idyllic place with stretches of perfect white-sand beaches, gracefully swaying coconut palms offering oases of shade, and warm, crystal-clear waters revealing the secrets of incredible multi-colored marine life. Whether you spend the day shopping for duty-free gifts and mementos, taking a carriage ride past sorbet-colored buildings, or touring in a glass-bottom boat, chances are you'll leave this happy place in the Bahamas with lots of beautiful memories
