

# Gun Control

*“Or else how can one enter into a strong man's house, and spoil his goods, except he first bind the strong man? and then he will spoil his house.”*

**Matthew 12:29**

In **I Samuel 13:17-23**, a Biblical analogy to gun control is given. The Philistines had a monopoly on iron and the smith craft, and refused to allow the Hebrews access to swords and spears, **verses 19-20**, *“Now there was no smith found throughout all the land of Israel: for the Philistines said, Lest the Hebrews make them swords or spears: But all the Israelites went down to the Philistines, to sharpen every man his share, and his coulter, and his axe, and his mattock.”* This condition existed until David's days (**I Chronicles 22:3**). The Philistines desired to destroy the nation of Israel and they chose a time when they were not armed. So long as Israel was in bondage to the Philistine's, ownership of weapons was not allowed. Civilian disarmament always gives a monopoly on power and control. After the death of King Saul, David taught Judah to use the bow, *“And David lamented with this lamentation over Saul and over Jonathan his son: (Also he bade them teach the children of Judah the use of the bow: behold, it is written in the book of Jasher.)”* **II Samuel 1:17-18**. During this time the bow was the most advanced weaponry known to man. The Philistines, through their raids, were trying to destroy the children of Israel, especially the tribe of Judah. It was this tribe by which the Messiah would come. So, the Lord led David to arm all Judah and teach them how to use their weapons so they could defend themselves. Remember, it was David who wrote **Psalms 144:1**, *“Blessed be the LORD my strength, which teacheth my hands to war, and my fingers to fight.”* The globalist of our day wants your guns. Most globalists are tree-hugging, whale-kissing, New Age occult thinkers. They know that guns do not kill (people kill), but it is the only way to bring about their so-called New World Order. The U.N. (United Nations) is a Trojan horse in our country and is

the biggest promoter of gun control laws in the world. Weaponry must be taken from private citizens before global government can be established.

Our forefathers gave us the second amendment in the Bill of Rights because they understood the danger of big government and unarmed citizens. They understood a God-given right for individuals to defend themselves. The American Revolutionary War was triggered at Lexington and Concord when the British tried to disarm individual citizens. The second amendment in the Bill of Rights is actually a safe guard to the other nine amendments. Remember, this country was built upon “God, guts, and guns.”

Never should we accept the fact that the liberals in our government want to protect us and make our streets safer by taking our guns. The hypocrisy is seen in the fact that many of those who pass such laws have bodyguards for themselves. It is a proven fact that guns in the hands of law abiding citizens decrease crime. The presence of a weapon is a deterrent to the criminal. For example, in the suburb of Kennesaw, in Atlanta, Georgia, a law was passed that required every household to keep at least one firearm. Murders decreased to zero and the burglary rate decreased eighty-nine percent.

Gun control is simply another phrase for people control. A disarmed people is a sign of a conquered and enslaved people. Only a criminal government would consider gun control laws.

All dictatorships require an unarmed populace in order to take over private property and private liberties. The big promoters of gun control laws in the last century were people like Stalin, Lenin, Kruschey, Hitler, Mao, Castro, etc. In many cases, gun control laws precede genocide. In the past one hundred years, over fifty million unarmed men, women, and children have been slaughtered by their own government.

“This year will go down in history. For the first time, a civilized nation has full gun registration! Our streets will be safer, our police

more efficient, and the world will follow our lead into the future!”  
-Adolph Hitler, 1935

The old saying, “When guns are outlawed, only outlaws will have guns” is so true. For example, Washington DC has the highest murder rate in the USA and has the most restrictive gun control laws.

“Firearms stand next in importance to the Constitution itself. They are the American people’s liberty, peace, and keystone under independence, to secure peace, security and happiness; the rifle and pistol are equally indispensable. The very atmosphere of firearms everywhere restrains evil interference. They serve a place of honor with all that is good.”

- George Washington

## **GUN CONTROL: SOMETHING TO THINK ABOUT**

In 1929, the Soviet Union established gun control. From 1929 to 1953, about 20 million dissidents, unable to defend themselves were rounded up and exterminated.

In 1911, Turkey established gun control. From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated.

Germany established gun control in 1938. From 1939 to 1945, 13 million Jews and others who were unable to defend themselves were rounded up and exterminated.

China established gun control in 1935. From 1948 to 1952, 29 million political dissidents, unable to defend themselves, were rounded up and exterminated.

Guatemala established gun control in 1964. From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.

Uganda established gun control in 1970. From 1971 to 1979, 300,000 Christians, unable to defend themselves, were rounded up and exterminated.

Cambodia established gun control in 1956. From 1975 to 1977, one million “educated” people, unable to defend themselves, were rounded up and exterminated.

Defenseless people rounded up and exterminated in the 20th century because of gun control: 56 million

The next time someone talks in favor of gun control, ask them, “Whom do you want to round up and exterminate?”  
With guns, we are citizens. Without them, we are subjects.”

- Copied

“Divine providence has given to every individual the means of self defense. To disarm the people is the best and most effective way to enslave them.”

-  
George Mason
