Dear Brothers and Sister in Christ:

We pray God has bless you as the year 2110 has begun. We left home on the 26th of Dec to begin a trip around the outskirts of the USA. Because this trip was a long one , we decided to take the truck and utility trailer with sleeping bags and foam mattresses. It is always an interesting time. We started the year in Minden and Bogalusa LA, spending some time with Ray Meigs and family in Folsom LA. We sang for the Chapel services at Bens Ford Christian school .then across to Florida. Sharing the music ministry as we went along. In Pace FL with pastor John Hancock, Gainesville, FL spending time with Floyd Thompson, Then on to Winder Haven. We were very grateful to stay in the mission house at Westwood. We had a wonderful Mission Conference there. Its always good to be at our home church. Also ministering at Riverview during their chapel service at their school and also their evening service, Titusville, Christmas, Orlando , Osteen, and Groveland FL. In February , we sang at Lighthouse BC in Largo FL. sang on a cruise to Grand Cayman Island and Cozumel Mexico. Had a wonderful time of fellowship .We had 16 people attending the cruise this year and are now looking forward to next year , Feb 5-10 cruising to Half-Moon Cay and The Bahamas. We had a great time ministering to those on the cruise. Jim and the kids sang with Zeke and Barbara Sibley, also had an opportunity to sing on the lido deck at midnight while enjoying the midnight pizza buffet. On the first night out we sang outside in the pool area, but it was very cold. But all in all it was a great trip. From Florida we

they had a snow storm which left roads icy and snowy. We left on Tuesday morning traveling for 80 miles at 40-45 mph. Cars are off in the ditch everywhere. In Plainview, TX we stopped for lunch then back on the road when in only 20 minutes we found ourselves on the side of the road with a transmission problem, had the truck towed

back to Plainview, TX which is where we are right now. Not sure what the problem with the truck is but have been loaned a van from Quaker Ave BC in Lubbock to get us to New Mexico on Wednesday night Feb 24th.

As we have been traveling this past 2 months we have seen devastation in families and marriages across this country. Please pray for your pastor, his family, families of your church and the leadership in your church. Please remember that Christ return is coming soon and Satan knows his time is short. So Please bind satans grip on the lives of Gods children.

But we are so thankful for what God has done for us as we have traveled. He has supplied our needs, given us safety and taken care of our family while we have been

away. We are so blessed and just want to say "THANK YOU LORD" and To him we want to give all glory , honor , and

praise.

Thank you all for your support and your prayers, also for reading this report. Please pray for the lost, for pastor to be encourage, our safety in travel, and for monthly support. God Bless you all!
