Phone Home:

To call home directly from the hotel, you must have a pre-paid or other calling card.

Guys Attire:

Casual summer clothes, plain T-shirts or other nice casual shirts. Do not bring shirts with questionable slogans (you have no idea how they may be interpreted). No tank tops. Don't forget your swimsuit. Bring comfortable shoes for the parks.

Girls Attire:

Casual summer clothes. Shorts must be no shorter than approximately 5" above the knee. No tops which show your tummy, spaghetti-strap style shirts, halter tops or tank tops. Sleeveless shirts are fine as long as they are modest. Although it is hot, it will be cool in the conference meeting rooms, so you might want to bring a sweater. Please bring a **one-piece** swimsuit. Bring comfortable shoes for the parks.

All Students: Remember, please dress very modestly. If any of our SLU staff has a problem with what you're wearing, you will be asked to change, which means you may wear the same thing all week if you don't pack right. Basic rule: "err on the side of caution."

Weather & Climate:

Temperatures can climb well into the 90's during the peak summer months. Those who are not accustomed to such high temperatures and extreme humidity need to make sure they stay hydrated and wear clothing that will shield from the sun's harmful rays. Hats, loose clothing, wearing plenty of sunscreen and drinking plenty of water is recommended.
