BIOGRAPHY

"Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?" St. John 11:25-26

Resurrection Quartet certainly does. Resurrection Quartet is a ministry that was formed in early 2006 to share the saving grace of Jesus Christ and the blessings that have been experienced by each member. Quartet members Jodie Dupree, Gradie Hartley, Mike Messer, and Ryan Messer have each witnessed Christ miraculously work in their individual lives and know that God has had a divine hand in forming this ministry.

This collection of Christian men present an uncompromising message that Jesus died on the cross to save everyone, rose again to provide eternal life, and is the only answer to all of life's problems. It is their desire to use the message and music that they love so much to point sinners to salvation, uplift their fellow Christians, and encourage everyone to faithfully follow Jesus.

In the short history of this traditional gospel quartet, the guys are pleased to have received many compliments from those who have heard the quartet in person. While it's reassuring to hear the positive statements about their singing, this musical group is truly honored to know that their sincerity and the Gospel shine through their singing.

Resurrection Quartet's debut recording titled, *Try Jesus*, reflects the theme of hope and joyful life that can only be found by following Jesus Christ. The quartet prays that this recording will continue to reach far beyond the miles that they travel and will serve to bless others for many years as it has in its existence thus far. The music is being played on radio throughout the world and both official radio singles released from the recording, *The Truth Will Come Out* and *I'll Live Again*, have been charted at number one on national gospel charts. The group is making plans now to complete their much anticipated follow-up recording this year. It is their prayer that God will continue to use them as an instrument to spread his message wherever it may be heard.

The team's goal is to do their best to represent the love of Jesus and operate the ministry of Resurrection Quartet in a professional and respectable manner. They are excited about God's blessings for the future, while looking forward to sharing the message of the Gospel whenever the opportunity arises. Ryan, Mike, Gradie, and Jodie extend a personal invitation to witness this ministry firsthand at one of their upcoming appearances or contact them today to appear at your event.
