## INDIVIDUALLY

### Ryan Messer

Hello, I'm Ryan Messer, from Coats, NC, and I thank God for allowing me to sing tenor for Resurrection Quartet! This is really my first singing experience. I would like to give all the glory and honor to God for allowing me to be a witnessing tool, and allowing me to spread His word through song. Ever

since God saved me in 2008, I have fallen in love with southern gospel music. If it wasn't for the motivation of my friends, family, but most importantly God, I don't know where I'd be in life. But I'm glad I have Him! I'm also thankful that I have a good home church like Beulah Missionary Baptist to attend. I love God with all my heart and, if you don't know God as your personal savior, I encourage you to get to know Him. Receiving Christ is the best thing you will ever do in life!

### Jodie Dupree

Hello, I am Jodie Dupree and I sing lead for Resurrection Quartet. I have sung at my local church for years and at more weddings and funerals than I can recall. My quartet experience includes singing in a men's quartet years ago when I attended Garner Church of God. My first traveling group experience was

with Carolina Harmony Quartet. Since that time, I have been miraculously healed from vocal chord cancer and feel it more necessary to sing than ever before. I have been blessed many times and want to share the love of Jesus with others through gospel music. I live in Clayton, NC with my wife Jeanie, our daughter, Haley, and our twin boys, Hunter and Clay. We are members of the Benson Church of God and we look forward to seeing you soon.

### Gradie Hartley

Thanks for your interest in Resurrection Quartet. I am from the small town of Princeton, NC and attend the Princeton Church of God. I am blessed to have been raised in a Christian home and was saved at a young age. I have loved quartet-style gospel singing for a long time as well.

Most of my music experience was gained during my eleven years as an instrumentalist with the bluegrass gospel group Brusharbor. I also sang baritone for Carolina Harmony Quartet for nearly two years. Being captivated by quartet singing and southern gospel music as a child taught me that this style of music could be used as a ministry tool to reach others, just as it has blessed me over the years. I thank God each day for the opportunity He has given me to serve Him and share His message through singing. I look forward to what He has in store for us as a quartet.

### Michael Messer

I'm Mike Messer and I sing bass with Resurrection Quartet. I really have no previous singing experience to speak of other than singing in church a little. What I lack in musical experience, I do feel I make up for in experiencing God's love and mercy. I was saved as a young boy when I was about 14 years old. I had a brain

tumor removed in 2007. When I got out of the hospital, a local gospel group sent me one of their recordings. As I listened to it, I started feeling a powerful pull, a longing for more! My whole family experienced the same pull. Nothing could bless me more than seeing one person drawn to Jesus through gospel music just as I was. I live in Coats, NC with my wonderful and loving wife, Roberta. I've been blessed with four healthy, loving children: Brittany, Courtney, Ryan, and Morgan. I pray that you realize how much God loves and blesses each of you every day.
