Nights Over Egypt

D. Wansel, C. Biggs

Verse 1

There's a sky in the east

Over pyramids at Giza

Where there once lived a girl

She ruled the world

Then down the Nile

He came with a smile

He was the king she was the queen

Under the moonlight

Your eyes won't believe

What your mind can't conceive

Chorus

Oooh

Nights over Egypt

Nights over Egypt

Nights over Egypt

Incense & myrrh

And girls that swirl

To the music

Nights over Egypt

Verse 2

Women fellahin

Wear veils to been seen

By no one

Take a caravan across the Sudan

Saharan façade is just a mirage

Oasis in the sand

Where life once began

Under the moonlight

Your eyes won't believe

What your mind can't conceive

Nights over Egypt

(Repeat)

Kiss

Prince

Verse 1

You don't have to be beautiful
To turn me on
I just need your body baby
From dusk till dawn
You don't need experience
To turn me out
You just leave it all up to me
I'm gonna show you what it's all
about

Chorus

You don't have to be rich

To be my girl

You don't have to be cool

To rule my world

Ain't no particular sign I'm more
compatible with

I just want your extra time

And your

Kiss

Verse 2

You got to not talk dirty, baby
If you wanna impress me **(aah)**
You can't be too flirty, mama
I know how to undress me (Yeah)
I want to be your fantasy
Maybe you could be mine
You just leave it all up to me
We could have a good time

Chorus

Bridge

I think I wanna dance
Gotta, Gotta
Little girl Wendy's parade
Gotta, gotta, gotta

Verse 3

Women not girls rule my world
I said they rule my world
Act your age, mama
(Not your shoe size)
Not your shoe size
Maybe we could do the twirl
You don't have to watch Dynasty
To have an attitude
You just leave it all up to me
My love will be your food
Yeah

Chorus

Word Up

L. Blackmon, T. Jenkins

Verse 1

Yo pretty ladies around the world
Got a weird thing to show you
So tell all the boys and girls
Tell your brother, your sister
And your mama too, cause they're
About to go down
And you'll know just what to do

Chorus

Wave your hands in the air

Like you don't care, glide by
The people as they start to look and
stare.

Do you dance, do your dance quick
Mama, come on baby, tell me
what's

The word, ah, word up,
Everybody say when you hear the
call

You got to get it underway,
Word up, it's the code word,
No matter where you say it,
You'll know that you'll be heard

Verse 2

Now all you sucker. DJs
Who think you're fly
There's got to be a reason
And we know the reason why
And act real cool - but you got to
realise

That you're acting like fools
If there's music we can use it
We need to dance

We don't have that time
For psychological romance
No romance, no romance

No romance for me mama
Come on baby tell me what's the
word

Ah, word up
Everybody say when you hear the
call

You got to get it underway

Dial 'L' for low...

Oh yeah

Come on, all you people say...

W-o-r-d up (x6)

Black Or White

M. Jackson, B Bottrell

Verse 1

I took my baby
On a Saturday bang
Boy is that girl with you?
Yes we're one and the same
Now I believe in miracles
And a miracle has happened
tonight

Chorus

But, if you're thinkin'
About my baby
It don't matter if you're
Black or white

Verse 2

They print my message
In The Saturday Sun
I had to tell them
I ain't second to none
And I told about equality
An' it's true
Either you're wrong or you're right

Chorus

Rise

I am tired of this Devil
I am tired of this stuff
I am tired of this business
Sew when the
Going gets rough
I ain't scared of

Your brother
I ain't scared of no sheets
I ain't scared of nobody
Girl when the
Goin' gets mean

Rap

Protection, for gangs, clubs
And nations
Causing grief in human relations
It's a turf war, on a global scale
I'd rather hear both sides
Of the tale
See, it's not about races
Just places
Faces, where your blood
Comes from
Is where your space is
I've seen the bright get duller
I'm not going to spend my life being
a colour

Verse 3

Don't tell me you agree with me
When I saw you kicking dirt in my
eye

Chorus

I said if you're thinkin' of
Being my baby
It don't matter if you're
Black or white

I said if
You're thinkin' of
Being my brother
It don't matter if you're
Black or white

Ooh, Ooh
Yea, yea, yea now
(x2)

It's black, it's white
It's tough for you
To get by
It's black, it's white, whoo
(x2)

Pretty Wings

G. Rivera

Verse 1

Time will bring the real
End of our trial
One day there'll be no remnants
No trace no residual
No feelings within ya
One day you won't remember me

Your face will be the reason I smile
But I will not see what
I cannot have forever
I'll always love ya
I hope you feel the same

Woah you played me dirty
Your game was so bad
You toyed with my affliction
Had to fill out my prescription
Found the remedy
I had to set you free

Away from me
To see clearly
The way that love can be
When you are not with me

I had to leave
I had to live
I had to leave
I had to live...

Rise
If I can't have you
Let love set you free
To fly your pretty wings around

Chorus
Pretty wings
Your pretty wings
Your pretty wings, pretty wings
around

Verse 2
I came wrong, you were right
Transformed your love into lie
Baby believe me
I'm sorry I told you lies

I turned day into night
Sleep till I die a thousand times
I should have showed you

Better nights, better times,
Better days
And I miss you more and more

Rise

Chorus (x5)

Someone better is gonna love you
Someone, Someone is gonna love
you baby

Chorus (Repeat)

Say A Little Prayer

B. Bacharach, H. David

Verse 1
(Say a little prayer for you)

The moment I wake up
Before I put on my makeup
(Makeup)

I say a little
(Prayer for you)

While combing my hair now
And wondering what dress to wear
Now

(Wear now)

I say a little
(Prayer for you)

Chorus

Forever, forever
You'll stay in my heart
And I will love you
Forever and ever

We never will part
Oh how I love you
Together, together
That's how it must be
To live without you
Would only mean heartbreak for me

Verse 2

I run for the bus, dear
While running I think of us, dear
I say a little prayer for you
At work I just take time
And all through my coffee break-
time
I say a little prayer for you

Chorus x2

Verse 3

My darling believe me
(Believe me)
For me there is no one but you
Please love me too
I'm in love with you
(Answer my prayer) (Baby)
Answer my prayer baby
(Answer my prayer) (Baby)
Say you love me too
(Answer my prayer) (Baby)
Answer my prayer baby
(Answer my prayer) (Baby)
And...

Midnight Train To Georgia

J. Weatherly

Verse 1

LA proved too much for the man
**(Too much for the man,
he couldn't make it)**
So he's leaving a life he's come to
know **(He said he's going)**
He said he's going back to find
(Going back to find)
What's left of his world
The world he left behind not so long
ago

Chorus

He's leaving **(Leaving)**
On that midnight train to Georgia
(Leaving on a midnight train)
Said he's going back **(Going back
to find)**
To a simpler place and time
**(Whenever he takes that ride,
guess who's gonna be right by
his side)**
I'll be with him **(I know you will)**
On that midnight train to Georgia
**(Leaving on a midnight train to
Georgia, woo woo)**
I'd rather live in his world,
(Live in his world)
Than live without him in mine
**(World, world, is his, his and hers
alone)**

Verse 2

He kept dreaming
(Dreaming)

That some day he'd be a star
**(A superstar, but he didn't get
far)**
But he sure found out the hard way,
That dreams don't always come
true
**(Dreams don't always come true,
uh huh, no, uh huh)**
So he pawned all his hopes
(Ooh, ooh, ooh ooh)
And even sold his old car
(Woo, woo, woo, woo)
For a one way ticket back to the life
he once knew
Oh yes he did, he said he would

Chorus

Repeat (x2)

Outro

**My love, gonna board the
midnight train to Georgia (x3)**

**My world, his world, our world,
mine and his alone (x2)**

I've got to go (x5)

**My world, his world, my man, his
girl**

I've got to go (x5)

Don't Leave Me This Way

T. Pendergrass, H. Melvin

Verse 1

Don't leave me this way
I can't survive, can't stay alive
Without your love
Don't leave me this way
I can't exist
I'll surely miss your tender kiss
So don't leave me this way
Don't leave me this way
A broken man
With empty hands
Baby please, please
Don't leave me this way

Chorus

Ah baby,
My heart is full of love and
Desire for you
Now come on down and do what
you've **Gotta do**
You started this fire down
In my soul
Now can't you see it's burning
Out of control
So come down and satisfy the need
in me
'Coz only your good loving can set
me free

Verse 2

Don't leave me this way
Cos it would be wrong
To string along a love so true
Don't leave me this way
Don't ya understand
I'm at your command
Oh baby please, please
Don't leave me this way
Don't leave me this way, way
I can't survive, can't stay alive
Without your love
Don't leave me this way

Chorus

Bridge

I need it, right now
Say I need it
I... need your lovin' baby

Please

Please please don't go

After The Love Has Gone

D. Foster, J. Graydon

Verse 1

For a while,
To love was all we could do
We were young and we knew
In our eyes we're alive
Deep inside we knew
Our love was true
For a while
We paid no mind to the past
We knew love would last
Every night, something right
Would invite us to begin the day

Pre Chorus

**Something happened along the way
What used to be happy, was sad
Something happened along the way
And yesterday was all we had**

Chorus

**And, oh
After the love has gone
How could you lead me on?
And not let me stay around
Oh, oh, oh
After the love has gone
What used to be right is wrong
Can love that's lost be found?**

Verse 2

For a while
To love each other with all

We would ever need
Love was strong
For so long
Never knew that what was
Wrong, oh, baby, wasn't right
We tried to find what we had
Till sadness was all we shared
(We were scared)
This affair would lead our love into

Pre Chorus

Chorus

Outro

**Oh, oh, oh, oh, oh, oh,
After the love has gone
What used to be right is wrong
Can love that's lost be found
(Repeat)**

The Christmas Song **(Merry Christmas)**

N.Cole

Verse 1

Chestnuts roasting on an open fire
Jack Frost nipping at your nose
Yuletide carols being sung by a
choir
And folks dressed up like Eskimos

Verse 2

Everybody knows a turkey and
some Mistletoe
Help to make the season bright,
Tiny tots with their eyes all a-glow
Will find it hard to sleep tonight

Verse 3

They know that Santa's on his way
He's loaded lots of toys and
goodies on his sleigh
And ev'ry mother's child is gonna
spy
To see if reindeer really know how
to fly

Verse 4

And so I'm offering this simple
phrase
To kids from one to ninety-two
Although it's been said
Many times, many ways
Merry Christmas to you
(Repeat)
