Arthritis is the #1 cause of disability in the United States.

The Arthritis Foundation would like to thank The Catdaddies for rockin' our bones at the Halloween Bone Bash at the Dallas Fairmont Hotel. Our deepest appreciation goes out to the (mostly) all-lawyer band and its members:

Kent Hofmeister - Brown & Hofmeister, LLP
Mark Sales and Bart Sloan - Hughes & Luce, LLP
Bryan Dunklin - Bryan Dunklin & Associates, PLLC
Christina Melton Crain - Christina Melton Crain, P.C.
Brad Young - Brad Young Multi Image, Inc.

You all helped make Bone Bash a *Spine-tingling, Bone-afied* Success!

3.5 million Texans live with arthritis. We can help!
