

Mr. Louis Wilson & Claude Whitfield,  
Citizen Schools thanks you for taking time out  
of your day to come and share the wonderful  
art of turntablism with our students. I know  
that, that may have been an unforgettable  
experience for many of them. We at Citizen  
Schools can appreciate the fact that you all  
are making a difference in young peoples  
lives and may even be saving lives with  
DJing. We wish you success in all that  
you do.

Thank You,  
Citizen Schools

**THANKS  
AGAIN!**
